# CONGRATS ON YOUR SEMHAS!

↳ U HAVE SUCCESSFULLY REACH THIS FAR IN LIFE,

and u DESERVE to celebrate this very ONE

IN A LIFETIME MOMENT, with this very BEAUTIFUL

purple tulip flower I look from my own garden →

↳ Despite whatever the outcome of this SEMHAS, theres no need to worry about it anymore, insyallah Allah has prepared for you the BEST result, better than u could've imagined.

I know you have done the very BEST preparing for this moment, and Allah must've seen more than I do, I believe insyallah diberikan hasil yg terbaik, terbaik buat agamamu, kehidupamu, terbaik buat masa depanmu, aamiin yg paling AAMIIIN.....

↳ Dari hati yg terdalam, jujur sejujur-nya, aku mau minta maaf sekali lagi

for coming into ur life, I must admit it wasn't the best thing I should've done and I sincerely

apologize . Honestly, I'm actually really glad to hear that ur doing really well, once again a really BIG

round of applause for u right there, I'm actually impressed and really proud of you. Maybe ur right all this time,

this current season is not the time for love yet. Even tho it hurts a little (hugely) facing the fact that for now we're not as close as we use to & we can't go back like how it was (at one time), after we go through series of episodes

of this life, who knows we can actually get back together and love each other the right way like how it's supposed to

be. Insyallah aku udah ikhlas lillah sama semua yg udah terjadi, dan aku percaya ada keinginan mulia dibalik kata2 kamu

malam itu, insyallah itu yg terbaik buat kita berdua untuk saat ini. Walaupun ga ada yg tau dan ga partu

(puduh! kumpung bgt!) cemas kedepannya bakal ga, yg pasti dari malam itu sampe diditik kamu baca ini, ternyata malah nyadarin aku kalo ternyata .....

~ ANYWAY, ENJOY YOUR MOMENT WHILE IT LASTS !

CONGRATS!
