This current season is not the time for love yet. Even tho it hurts a little (long trip) seeing the fact that for now we're not as close as we use to & we can't go back like how it was (^{as before} for now), after we go through series of episodes

of this life, who knows we can actually get back together and love each other the right way like how its supposed to

be. Insyallah aku udah ikhlas llh sama smua yg udah terjadi, dan aku percaya ada keinginan mutu dibalik kalah kamu

malam itu, insyallah itu yg terbukti buat kita berdua unluk saat ini. Walaupun ga ada yg tau dan ga per
